The UAF Faculty Senate and the Chancellor's Cabinet
M.A.T. Degree in Biology
10/2013

MOTION:

The UAF Faculty Senate moves to approve the elimination of the M.A.T. degree in Biology.

EFFECTIVE: Fall 2013

RATIONALE: As a result of the program review process, the Chancellor's
Cabinet, the College of Natural Sciences and Mathematics, and the Department of

Further, the committee recommended the program be discontinued at that time.

"No students have been enrolled in this program since 2002 and only 2 students have been
