III. Executive Session

MOTION

"The Audit Committee of the Board of Regents goes into executive session to

Audit and Consulting Services utilized the results during development of the audit plans for FY11 and FY12. It is appropriate for internal auditors to assist with promoting this activity and lend advice on best practices for enterprise risk management (ERM). The chief audit executive has assisted in this activity while following guidance from the Institute of Internal Auditors regarding appropriate auditor roles in ERM.

Related to identification and notification of risks, the university continues to move forward with the selection of a hotline that will facilitate anonymous reporting of risk incidents. Incidents or concerns will be able to be reported in regard to a wide range of topics, including fraud, waste and abuse of resources, bullying, safety and compliance. Vendors have demonstrated the ability to receive risk incidents in formats tailored to the University of Alaska via toll-free telephone and an online intake form.
